Our major goals are centred on the following:

2. House Competition

The House Competition at Coomera Anglican College is an integral component of the sport programme. It provides each House with an avenue to develop House spirit and pride and instils a sense of camaraderie amongst its members.

Coomera Anglican College operates a four House structure from Prep to Year 12. The four houses are:

GIBBS: Mind and Vision

SMITH: Heart and Determination

MORRIS: Soul and Mastery

LANE: Strength and Perseverance

The foundations of this competition are the three major Inter-House competitions held annually. They are:

- Inter-House Swimming Carnival
- Inter-House Cross Country Carnival
- Inter-House Athletics Carnival

A champion House trophy is awarded annually to the winning House in each of these major events.

Age Champions: All competition divisions per age group are eligible to compete for Age Champion. Points are awarded on overall times and distances regardless of division

Carnival and Squad training is also available for all students in the major APS and Inter-House Carnivals.

The House Competition also extends to various other Sport and Non-Sport activities throughout the year, which can include:

- Golf
- Running Club

Participation in these activities is voluntary and consequently additional costs will be incurred. There is no cost for running club.

ADDITIONAL INFORMATION

Representative Sport

Students have the opportunity to represent the College at a higher level in all the sport mentioned previously, as well as additional sport listed in the back of this booklet.

While the College does not offer all sport, many are offered at a competitive level, with students representing the College at the Hinterland District Sports Association, the South Coast Region and State or National Teams. To find out more about such opportunities, refer to the back of this booklet or contact the Head of Sport and Cocurricular Activities at the College. Mr Anthony Hall: ahall@cac.qld.edu.au.

Sport Training

A condition of the APS sport competition is that all Colleges provide training for their teams in both Winter and Summer Competition. As a result, training for APS competition is **compulsory for all students**. Training details are as follows:

Senior Secondary Training: Years 10 – 12

Days: Wednesday afternoon (every week)
Time: 3.10pm – 4.10pm
Frequency: All training sessions will be weekly throughout the respective seasons.

Junior Secondary Training: Years 7 – 9

Days: Monday afternoon (every week)
Time: 3.10pm – 4.10pm
Frequency: All training sessions will be weekly throughout the respective seasons.

Parents and students are **strongly encouraged** to avoid making appointments or requesting work rosters on a Wednesday afternoon. Students who catch public transport home on Wednesday and Friday afternoon will need to make alternative arrangements on these days, as the regular after school bus service is not available at this time.

Students Absent from Training

Only in very special circumstances are students exempt from attending after school training, and this rare exemption is only granted through a formal written request for consideration of the individual's unique or unusual circumstances. The request should be directed to the child's sport coach and/or the Head of Sport and Cocurricular Activities. Students who fail to attend training without permission will be sent a letter home explaining the situation. Further unauthorised non-attendance will result in an afternoon detention. Repeat offences will result in meeting of the student concerned and his or her parents with the Deputy Principal/Head of Secondary.

Exemption from training can only be granted by the Head of Sport and Cocurricular Activities, or the Head of Secondary, following a **prior written request** from parents.

Wet Weather/Cancellation

Coomera Anglican College policy is as follows:

Sport Training will rarely be cancelled on the day of training due to inclement weather. Students will undertake classroom activities regarding team tactics, game strategies, rules etc. instead of outdoor training.

If training is to be cancelled, this will be advertised well in advance in the Morning notices, Facebook, the Newsletter or a special letter home or email/text message to parents.

The decision as to whether or not sport training will proceed is to be made by the Head of Sport and Cocurricular Activities in consultation with the Head of Secondary. Students and individual coaching staff cannot make the decision for their respective team, nor should parents assume that afternoon sport training would be cancelled.

APS Sport Cancellation

In the event that APS sport is cancelled on a particular Friday afternoon, it is most likely that an academic timetable will be implemented in its place. Students are required to remain at the College and be fully prepared for classroom lessons.

Sport Facilities

Coomera Anglican College has currently available the following facilities:

- Indoor and Outdoor multi-purpose courts

- Softball pitches
- High Performance Centre
- Cardio Room
- Athletics Track
- Tennis Court

Uniforms

The way in which the sport uniform is worn is a powerful, visual reminder of how students view themselves and the College. To ensure that the uniform always looks neat and well presented, non-observance of regulations may result in a detention being issued. **On weeks when Friday afternoon APS fixtures are not scheduled, students are required to wear their formal uniform to College** and then change into their sport uniforms at lunch or morning tea. Students are only permitted to wear their sport uniform to College on Fridays when APS fixtures are scheduled.

CHILD PROTECTION

STATEMENT OF COMMITMENT

Anglican schools support the rights of children and young people and are committed to ensure the safety, welfare and wellbeing of students. Anglican schools are therefore committed to responding to allegations of student harm resulting from the conduct or actions of any person including that of employees.

This commitment includes the provision of a safe and supportive living and learning environment for all students and requires all employees, volunteers and visitors to model and encourage behaviour that upholds the dignity and protection of students from harm.

POLICY

Coomera Anglican College adheres to the child protection policy and procedures set by the Anglican Diocese of Brisbane - *Student Protection in Anglican Schools Policy and Procedures 2015*. The Diocesan policy applies to all employees - paid or unpaid, full time, part time, casual and volunteers - associated with the College. The *Student Protection in Anglican Schools Policy and Procedures 2015* policy document is available on the College web site and on Passmarc.

The Diocesan policy specifically applies to students under 18 years of age. It is also recognised that at times young adults (that is, persons aged over 18 but less than 25) participating in Diocesan activities may be vulnerable. Accordingly, schools must take care to promote the welfare and best interests of young adults. Reporting information or allegations of harm concerning a student within a school is mandatory. Legal and Diocesan consequences will apply to any employee or other person where such behaviours occur.

All employees of the College share in the responsibility to promote and strive to provide a safe environment for students across Anglican Schools. This responsibility is placed upon them by the Gospel teachings of Jesus and the law.

The Diocesan policy outlines the obligations, roles and responsibilities of employees (staff members), volunteers and visitors to all Anglican schools to appropriately respond to and report all allegations or suspicions of:

- sexual abuse or likely sexual abuse by another person of:
 - a) a student under 18 years attending the school;
 - b) a pre-preparatory age child registered in a pre-preparatory learning program at the school;
 - c) a person with a disability who -
 - i. under section 420(2), is being provided with special education at the school; and
 - ii. is not enrolled in the preparatory year at the school
- significant harm or unacceptable risk of significant harm of a student (child under 18 years of age) or an unborn child, after his or her birth; or
- inappropriate behaviour by an employee or volunteer towards a student.

The Diocesan policy applies to all employees and other persons, such as parents, carers, clergy, volunteers, contractors and consultants.

RESPONSIBILITIES

All employees, volunteers and visitors of Coomera Anglican College are required to:

- ensure they are conversant and comply with child protection legislation and this Policy;
- ensure that their behaviour neither encourages nor supports behaviours in others that undermine the purpose of this Policy;
- report all allegations of sexual abuse or likely sexual abuse of a student by another person;
- report to the Student Protection Officer or Principal any information or allegation of harm that the employee is aware or reasonably suspects has been caused to a student by another person;
- report all allegations or concerns of inappropriate behaviour of an employee or volunteer towards a student
- maintain strict confidentiality; and
- practice safe behaviours
