NETBALL QUEENSLAND AWARDS

On Saturday 24 March 2018, the Netball Queensland Awards were held at the Hotel Grand Chancellor in Brisbane. Coomera Anglican College was nominated for the School of the Year Award, and was a finalist in the category. We take great pleasure and pride in advising that the College was successful in taking out this prestigious award. Congratulations to everyone involved in the College Netball Academy and Club. A very well deserved award for the many people that have contributed so much hard work and dedication to netball at the College, especially Miss Anna Young. Well done. Go CACAburras!!
