Principal's Note

I am delighted to announce to the School community the appointment of two important leadership positions at St Mark's.

Head of Health and Physical Education

Mrs Sharon McCarthy (BPHE, DipEd, NOLRS) has been appointed as the new Head of Health and Physical Education. Sharon has been at St Mark's for nearly nineteen years and has been the Acting Head of Department since Mr Adrian Pree's departure in Term One to take on the role of Principal of St James' Anglican School in Alkimos.

Head of The Arts and Creativity

Mr Jamie Cant (BA, DipEd) was selected from an outstanding field of applicants for the new position of Head of the Arts and Creativity. Jamie is a Western Australian who has been teaching Drama at the United World College of South East Asia for the past eight years in Singapore, and has previously taught at CBC Fremantle, Helena College and St Hilda's Anglican School for Girls. He has held a number of leadership positions in Drama and fits the position description ideally to champion creativity throughout the School, one of our recently identified strategic priorities for 2015 and beyond.

The Schools Service formed part of the national Anglican Schools Australia Conference held in Perth last week. As part of this, St Mark's hosted two students from our ASC sister school in Victoria - Cathedral College in Wangaratta.

Cover our Book Competition!

The fabulous title for our Creative Writing Anthology has been announced. The winning entry is from ***Michael Jenkins*** in Year 8 and his title***, The Lion's Pride,*** will be the official name of the book.

Now we have the title of the book- we need the cover! So get creative and email through your cover design entries. It can be an art work, photography, graphic design, collage or a combination of any of these. It might be inspired by the title, it might be inspired by the idea of creative writing itself, it might even just be an interesting piece of work you think would have visual appeal.

The winner will have their design published on the cover of this year's foundation edition of the book. They will also receive an invitation to the official book launch in Term 4. Other entries may still be published within the book itself.

Entries need to be emailed to tbowen@stmarks.wa.edu.au by the end of Week 6. Entries can be the digital file, scanned copies of photos of the work.

A reminder that all creative writing pieces that are being submitted for consideration are due at the end of Week 7.

In addition to before and after school rehearsals, the students have also been practising with fellow musicians from the other ASC Schools, at the Concert Hall itself and have also enjoyed the benefits of working with renowned guest conductors at rehearsals. The ASC Schools Concert is always a spectacular event, with hundreds of students from all the Anglican Schools Commission Schools. Best of luck for a wonderful performance on Friday evening to all our participating musicians!

Suessical News!

Seussical rehearsals are progressing nicely and it is great to see the commitment of the Middle School students so far. Please be reminded that this Sunday's rehearsal is for principal characters only. All chorus members should be using this break from rehearsals to learn all the songs. Thank you parents for your encouragement and support of the cast and crew thus far. Thank you also to all the parents who have volunteered their time and skills in a variety of ways.

An optional pizza dinner has been arranged by a parent for the compulsory evening Seussical rehearsal on Friday 29 August. If you would like your child to be included in the pizza dinner (students will eat at around 5:30pm) please send $5 in an envelope with your child's name clearly marked and hand it in to Mrs Croke at the Parent Administration. The last day for orders is Sunday 24 August at the rehearsal. If no money is received by this date no pizza and drink will be ordered for your child.

Costuming information has been handed out to the chorus members. Please ensure that your child has filled out the relevant costuming form and has handed it back to either Mrs Croke, Mrs Prouse or Mrs Vidot-Ralls ASAP. Students in principal roles will be given their costuming information in due course. Thank you!

Chapel

In Chapel this week...

Reading: Colossians 1:3-8

3 We always thank God, the Father of our Lord Jesus Christ, when we pray for you, 4 because we have heard of your faith in Christ Jesus and of the love you have for all God's people— 5 the faith and love that spring from the hope stored up for you in heaven and about which you have already heard in the true message of the gospel 6 that has come to you. In the same way, the gospel is bearing fruit and growing throughout the whole world—just as it has been doing among you since the day you heard it and truly understood God's grace. 7 You learned it from Epaphras, our dear fellow servant, who is a faithful minister of Christ on our behalf, 8 and who also told us of your love in the Spirit.

P&F Update

General Meeting

Thanks Dads!

It was great to see an army of dads at this week's P&F General Meeting to listen to Stephen Larkin from The Fathering Project (TFP). We look forward to welcoming you to future guest speaker events.

TFP was established by Prof Bruce Robinson, a lung specialist, who too often has heard dying patients lament that they did not spend more time with their kids. An important question to ask is "What is your legacy – what do you hope your children will remember about you?"

Stephen highlighted that the involvement of a father or father figure will result in a significant reduction in risk of substance abuse, loss of values, problems at school and low self-esteem in your children. The earlier the involvement in a child's life, the better.

The benefits to fathers and father figures, in turn, are immense and include greater enjoyment of life, Better productivity at work, special memories, stronger marriage and more meaning in your life. In short, Dads become more relaxed, healthier, less lonely and more interesting!

Some of the tried and tested ideas include regular "dad dates" with just dad and one child; changing the shape of your week by starting later on some days, and finishing earlier on others, providing the opportunity to do the school drop offs/pick ups, attend sports training, maybe even coach your child's team; tell them you love them; get involved with their school; really listen to them. And most importantly, there is not a child in the world that doesn't value your time over all else.

A copy of last night's presentation is available in the Secure Parent Area under the Our Community tab on the school website. Additional resources – videos, books, audio clips – are available from www.thefatheringproject.org From this website you can also sign up to receive a weekly email of practical fathering tips.
