STRATEGIC PARTNERSHIP

It is with great pleasure that the College announces our new Strategic Partnership Agreement with Helensvale Swimming Club. This agreement will strengthen the already close ties the College has with this Club, with the aim of delivering opportunities for both the College and the Club, in the development of our joint swimming talent.

Thank you to all those involved in making this happen, in particular, Jon Cook (immediate past Club President) and Craig Smerdon (Club President) from Helensvale Swimming Club and the HSC Club Committee.

We are all very excited about the prospects this will bring both parties.

The agreement will provide the Club with some access to the College's facilities for training programmes, and the College will gain access to Club race nights in the lead up to APS competition. There will also be joint promotional opportunities, which will see the College and Club branding in a number of places, including official HSC uniforms.

The agreement is for three years with an option to extend this by a further three years.

The College already has many families who are members of Helensvale Swimming Club. If you are not a member and would like to join, please contact the Club.

Club Contact: Karen Melloy klm@onthenet.com.au
